Another tourist and entertainment hub is about to hit Kuala Lumpur soon.

Federal Territories Minister Tengku Adnan Tengku Mansor officiated the groundbreaking ceremony earlier today for The Arch, an upcoming F&B and lifestyle hub on Jalan Tun Razak.

A five-story building with a basement level to be developed by the Focus Dynamics Tehnologies Group (Focus Dynamics), The Arch will take up approximately 169,504 sq ft of prime commercial land. The minister had expressed his hopes that The Arch will become the latest tourist attraction in the city.

The Arch is expected to have a total estimated gross floor area of approximately 530,000sf and a total estimated lettable area of approximately 435,300sf comprising of retail lots cum showrooms, food and beverage lots when completed at the end of 2018, the developer highlighted in a media statement today.

Situated in the heart of the city's Golden Triangle, it is nearby to TREC KL in a prestigious address. The Arch fronts Jalan Tun Razak on one end, the headquarters of RHB Banking Group and the Royal Selangor Golf Club.

Aspiring to be the city's largest urban entertainment, F&B and retail hub with entertainment venues, The Arch hopes to keep all our leisure hours fascinating.

Also present at the ceremony this morning is Executive Director of Focus Dynamics, Edward Leung.
