CYPARK BAGS TWO CONTRACTS WORTH RM450 MILLION

PETALING JAYA: Cypark Resources Bhd has secured two new contracts for proposed works at Empangan Terip, Negri Sembilan and Sik, Kedah worth a total of RM450 million. The two contracts are for the proposed design, engineering, procurement, construction, installation, testing and commissioning of the solar photovoltaic energy generating facility, the SPP interconnection facility, the SPP interconnector and the SPP works at Empangan Terip and Sik with associated works on turnkey basis. The contracts are worth RM225 million each and the works are to be completed by Aug 4, 2020. In filings with Bursa Malaysia, Cypark Resources said its wholly owned subsidiary Cypark Ref Sdn Bhd had accepted the letters of award from Cypark Estuary Solar Sdn Bhd and Viva Solar Sdn Bhd for the projects.
