Cypark Resources Bhd

- Best in Online Presence (RM500 mil to RM950 mil)

In today's digital era, a company's website is perceived as the backbone of its business, hence having an online presence is imperative. Cypark's website imparts to its stakeholders or potential investors an interactive stock chart, latest media coverage on the company and financial information, amongst others. For its efforts in embracing

transparency, Cypark emerged as the winner of the Best in Online Presence award for Group B.

For FY17 ended Oct 31, Cypark posted a higher revenue of RM301.68 mil versus RM282.93 mil in the corresponding period a year ago with a higher net profit of 11.4% to RM57.6 mil from RM51.71 mil. The company attributed the better results to increased income generated by its Environment Engineering division.

Listed on the Main Board of Bursa Malaysia since 2009, Cypark is a developer and provider in integrated renewable energy, green technology, environmental engineering solutions and construction engineering.

Cypark's largest shareholder is its co-founder and group chief executive officer Datuk Daud Ahmad with a 16.66% stake while executive chairman Tan Sri Razali Ismail is the second largest shareholder with 12.79%.
