

Kerjaya Prospek acquires RM292.8m construction deal

KERJAYA Prospek Group Bhd said it had secured an RM292.8 million contract for building works in Kuala Lumpur. The project involves the construction of a 57-storey service apartment building comprising 1,126 units, eight levels of podium parking and a sub-basement, Kerjaya Prospek said in an exchange filing. Work is scheduled to start on Sept 17, and take 38 months to complete, it noted. Kerjaya Prospek has secured RM1.45 billion in new contracts so far this year. — TMR
