The construction segment remained the backbone of the group, contributing 86.7% of total revenue with a 15.1% year-on-year (YoY) increase, while the property development division delivered a standout performance, with revenue surging 4.7 times to RM205.6 million, driven by ongoing projects The Vue @ Monterez and Papyrus @ North Kiara.

For the third quarter under review, Kerjaya Prospek recorded RM566.3 million in revenue, up 12.2% YoY, alongside PATAMI of RM57.4 million, a 24.5% increase from RM46.1 million a year ago, reflecting the group's operational strength and project execution capabilities.

The group declared a third interim single-tier dividend of three sen per share, totalling RM37.7 million, payable on Dec 30, 2025. Year-to-date, total dividends amount to nine sen per share or RM113.2 million, representing 71.8% of PATAMI and yielding 4.3% based on the Nov 26, 2025, closing price of RM2.76.

Kerjaya Prospek also secured a RM350.6 million contract in Batu Kawan, Penang, for the construction of two high-rise serviced apartment towers, adding to its robust order book, which now stands at RM4.1 billion, providing strong earnings visibility over the next four years.

CEO Tee Eng Tiong said the 3Q25 results and recent contract wins demonstrate the sustained demand for the group's construction expertise.

"We remain committed to delivering long-term shareholder value through consistent growth and rewarding dividends," Tee said.
