

Kerjaya Prospek's net profit rises to RM57.44 mln in 3Q

November 26, 2025

Kerjaya Prospek Group Bhd's net profit for the third quarter of its financial year ending Dec 31, 2025 (3Q FY2025) rose to RM57.44 million from RM46.08 million in the corresponding period last year, driven by higher progress in construction work activities.

KUALA LUMPUR: Kerjaya Prospek Group Bhd's net profit for the third quarter of its financial year ending Dec 31, 2025 (3Q FY2025) rose to RM57.44 million from RM46.08 million in the corresponding period last year, driven by higher progress in construction work activities.

In a filing with Bursa Malaysia today, the group said its revenue improved to RM566.25 million from RM504.84 million previously.

"Overall, the increase in revenue for the current quarter under review was mainly due to higher progress of construction work activities. In the property development segment, development projects have contributed positively to the group's results," it said.

For the first nine months of FY2025, the group reported a higher net profit of RM157.94 million from RM116.72 million in the same period last year, while revenue increased to RM1.57 billion from RM1.23 billion previously.

"Moving forward, the company will focus on its construction segment to be the main revenue driver for the group," it said.

Kerjaya Prospek said the group will continue to be supported by an outstanding order book of RM3.6 billion for construction contracts as at Sept 30, 2025.
