

Apple 99 wins adjudication dispute

KUALA LUMPUR: Yong Tai Bhd said the High Court in Shah Alam (construction division) has ruled in favour of its wholly owned Apple 99 Development Sdn Bhd, in an adjudication dispute with Kerjaya Prospek (M) Sdn Bhd, a wholly owned unit of Kerjaya Prospek Group Bhd. The court set aside the adjudication decision dated May 9, made under the Construction Industry Payment and Adjudication Act 2012, which had previously ordered Apple 99 to pay RM75.46 million to Kerjaya Prospek.
