

Kerjaya Prospek unit secures RM529.32mil contract to construct villa residences in Bukit Tunku

In a filing with the stock exchange, the group said the contract includes the completion of eight blocks of villa residences totalling 146 units, two blocks of car parks, two basement car park levels with common facilities and a clubhouse.

The contract shall commence on June 15, 2026, and be completed within 33 months.

According to Kerjaya Prospek, the contract is expected to provide an additional revenue stream for the next three years.
