

Kerjaya Prospek wins RM529m contract from new client BRDB

PETALING JAYA: Construction outfit Kerjaya Prospek Group Bhd, via wholly owned subsidiary Kerjaya Prospek (M) Sdn Bhd, has secured a RM529.3 million contract from BRDB Developments Sdn Bhd for the construction of a luxury residential development in Taman Duta, Bukit Tunku, Kuala Lumpur.

The award marks Kerjaya's first project with BRDB, a renowned premium property developer known for its high-end residential and commercial developments, further expanding the group's client base and reinforcing its position as a preferred construction partner for quality developments.

The project comprises eight blocks of villa residences offering 146 units with two blocks of car parks with 2 levels of basement car parks featuring common facilities and a clubhouse.

The development was scheduled to commence yesterday and is targeted for completion within 33 months.

Kerjaya CEO and executive director Tee Eng Tiong said, "We are honoured to be entrusted by BRDB for this prestigious development, which marks the beginning of a new client relationship for the group. The award reflects our proven track record in delivering high-quality residential developments and underscores the confidence that leading developers continue to place in our execution capabilities. We look forward to deliver another quality development that meets the expectations of both our client and future residents."

With this latest win, Kerjaya's year-to-date contract wins for FY2026 have risen to about RM1.6 billion, while total outstanding order book now stands at RM4.5 billion.
