

Kerjaya Prospek Wins First Data Centre Project Worth RM858 Million

September 3, 2026

Kerjaya Prospek Group Berhad announced that it has secured its first data centre contract worth RM858 million which was awarded to its wholly-owned subsidiary. The award was from a data centre developer and comprises mechanical, electrical and plumbing (“MEP”) fit-out works for a data centre located in Iskandar Puteri, Johor.

The project is expected to commence in the third quarter of 2026 and targeted for completion within eight months.

This latest win brings the group’s total new contract wins for 2026 to RM3.2 billion with outstanding order book hitting a record RM5.9 billion.
