#### NOTES TO THE FINANCIAL REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### A9. Segmental Information (Cont'd)

For management purposes, the Group is organised into business units based on their products and services, and has four (4) reportable operating segments as follow:

- (i) Construction Main building construction works, provision of contract workmanship and other related services.
- (ii) Manufacturing Manufacture, assemble, installation and sale of light fittings, furniture, kitchen cabinetry and related products.
- (iii) Property Development Development of residential and/or commercial properties.
- (iv) Investment Investment holding companies.
- (v) Others Other dormant companies.

Segment performance for the financial year ended 31 December 2022 as compared to corresponding preceding year ended 31 December 2021

### (i) Construction

The construction segment has achieved a total revenue of RM1,271.96 million in the current financial year representing an increase of approximately 19.60% as compared to its corresponding preceding financial year of RM1,063.44 million. Segmental profit was recorded at RM119.16 million on current financial year compare to corresponding preceding financial year of RM97.51 million. The increase in revenue was mainly due to improvement in progress of construction works activities, whereas in the previous year such construction works activities were halted in June 2021 as a result of Full Movement Control Order (FMCO). The construction segment is expected to continue to be the main contributor to the Group's overall turnover and profitability moving forward.

# (ii) Manufacturing

The revenue on manufacturing segment has decreased to RM3.07 million in the current financial year as compared to its corresponding preceding financial year of RM3.24 million. This segment has reported a segmental profit of RM0.07 million as compared to RM0.5 million reported in the corresponding preceding year. The manufacturing segment complements the Group's construction segment.

# (iii) Property Development

The property development segment has achieved a total revenue of RM2.92 million from the sale of the properties in the current financial year. This segment has reported a segmental loss of RM0.51 million as compared to segmental profit of RM0.18 million reported in the corresponding preceding year. The loss from this segment relates mainly to marketing expenses incurred for its new soft launch project, The Vue @ Monterez.

# (iv) Investment

The Investment segment shows a segmental profit of RM45.05 million in the current financial year as compared to its corresponding financial year of RM28.06 million. The profit from this segment relates mainly to dividend received from a subsidiary company.

#### **B1.** Review of Performance

For the current financial quarter under review, the Group posted a revenue of RM288.68 million as compared to its corresponding financial quarter of RM283.72 million. The Profit After Tax ("PAT") in the current quarter of RM28.72 million, representing a decrease of RM1.66 million from its corresponding financial quarter of RM30.38 million.

The increase in Group revenue for current quarter under review was mainly due to improvement in progress of construction work activities. On property development segment, the Vista Residence project at Genting Permai was completed in year 2019 and the Group made a soft launch for its The Vue @ Monterez project in June 2022. As of the date of this report, the property development segment has minimal contribution to the Group's results.

For the financial quarter under review, the main sources of income for investment segment was interest income.

#### B2. Change in Results of Current Quarter Compared to Preceding Quarter

		Immediate	
	Current	Preceding	
	Quarter ended Q	uarter ended	
	31.12.2022	30.09.2022	Changes
	RM'000	RM'000	%
Revenue	288,681	259,403	11.3%
Operating Profit	38,970	37,814	3.1%
Profit Before Tax	38,779	37,738	2.8%
Profit After Tax	28,716	28,808	-0.3%
Profit Attributable to Owners of the Company	28,706	28,805	-0.3%

For the current quarter, the Group recorded a revenue and profit before tax of RM288.68 million and RM38.78 million respectively as compared to RM259.40 million and RM37.74 million respectively in its immediate preceding quarter. The increase of revenue was mainly due to improvement in progress of construction works activities and the profit before tax for the quarter increased compared to the immediate preceding quarter due to increase in profit margins earned for certain projects.

# **B3.** Current Year Prospects

For Year 2023, the Malaysian economy is expected to expand at a more moderate pace amid a challenging external environment. The Group will continue to monitor and implement appropriate business strategies in a timely manner to address the challenges, such as volatility of Ringgit Malaysia, shortage of skill manpower and rising labour costs, etc, which may have on the operations and financial performance of the Group. The Group continues to be supported by an outstanding order book of RM4.3 billion for construction contracts as at 31 December 2022.

Moving forward, the Group will focus on its construction segment to be the main revenue driver for the Group.

Notwithstanding the Group's objective is to expand its core business in construction, the Group intends to maintain its manufacturing segment to complement its core business.

In regards to the Group's property development segment, the Group made a soft launch of its development project known as The Vue @ Monterez project in June 2022. The Group plans to launch another new development project in 2023.
