To: The Shareholders of RCE

Dear Sir/Madam

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 67th AGM of the Company held on 23 September 2021 ("Last AGM"), the Company had obtained a shareholders' mandate for RCE Group to enter into Recurrent Transactions on normal commercial terms which are not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders. The shareholders' mandate for Recurrent Transactions shall lapse at the conclusion of the forthcoming 68th AGM unless renewal is obtained from shareholders of RCE at the 68th AGM.

Accordingly, the Board had on 30 May 2022 announced that RCE proposes to seek shareholders' approval at the forthcoming 68th AGM for the Proposed Shareholders' Mandate.

The purpose of this Circular is to provide you with information on the Proposed Shareholders' Mandate and to seek your approval for the ordinary resolution to be tabled at the forthcoming 68th AGM of RCE. The Notice of the 68th AGM is set out in the Annual Report 2022 of RCE.

Shareholders of RCE are advised to read the contents of this Circular carefully before voting on the resolution pertaining to the Proposed Shareholders' Mandate.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provision under the Listing Requirements

Pursuant to paragraph 10.09 of the Listing Requirements, a listed issuer may seek shareholders' mandate in respect of the Recurrent Transactions of the listed company and its subsidiaries, subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;

- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Listing Requirements;
- (c) issuing of circular to shareholders; and
- (d) in a meeting to obtain shareholders' mandate, the interested Directors, interested Major Shareholders or interested Persons Connected with a Director or Major Shareholder; and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions.

The Proposed Shareholders' Mandate, if approved by the shareholders at the forthcoming 68th AGM, will be subject to annual renewal. In this respect, any authority conferred by shareholders in respect of the Proposed Shareholders' Mandate shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the forthcoming AGM at which such Proposed Shareholders' Mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
 - (b) the expiration of the period within which the next AGM is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
 - (c) revoked or varied by resolution passed by the shareholders of RCE in general meeting,
- whichever is the earlier.

2.3 Amount Due and Owing to RCE Group by Related Parties

There is no amount due and owing to RCE Group by its Related Parties pursuant to the Recurrent Transactions, as such the disclosure as required under Paragraphs 16A and 16B in the Annexure PN12-A of the Listing Requirements are not applicable.

2.4 Guidelines and Review Procedures for the Recurrent Transactions

RCE Group has established the following procedures to ensure that the Recurrent Transactions are undertaken at arm's length, on normal commercial terms which are not more favourable to the Related Party(ies) than those extended to third parties/public and are not detrimental to the interest of the minority shareholders of RCE:

- (a) A list of Related Parties is circulated within RCE Group on a quarterly basis. All heads of business units have been advised to report on all transactions involving the Related Parties.
- (b) All Recurrent Transactions are tabled to the Audit Committee for review on a quarterly basis. The Audit Committee will report its findings to the Board for further action if during the quarterly review the Audit Committee is of the view that the guidelines and procedures are insufficient to ensure normal commercial terms and/or the transaction is deemed detrimental to the minority shareholders.
- (c) Where a member of the Board or Audit Committee has an interest (direct or indirect) in the Recurrent Transactions, as the case may be, he/she shall declare his/her interest in the Recurrent Transactions and abstain from participating in the decisions of the Board or Audit Committee in respect of the said Recurrent Transactions.
- (d) The internal audit function conducts annual review of the Recurrent Transactions to determine whether internal guidelines and procedures have been complied with. Any divergence will be reported to the Audit Committee.
- (e) The Recurrent Transactions undertaken will be done on competitive terms where at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
- (f) In the event that quotation or comparable pricing from unrelated third parties cannot be obtained, the transaction price will be reviewed to ensure that the Recurrent Transactions are not detrimental to RCE Group. The pricing for services and products to be provided/supplied and/or received is determined based on the Group's business practices and policies to ensure that prices and terms and conditions are based on competitive prices of similar products and services in the open market and ensure that the Recurrent Transactions are not detrimental to RCE Group.

2.5 There is no specific threshold for approval of Recurrent Transactions within the Group as the Recurrent Transactions contemplated under the Proposed Shareholders' Mandate will be carried out at arm's length basis, on terms not more favourable to the Related Parties than those generally available to the public and are not to the detrimental of the minority shareholders. All the Recurrent Transactions are tabled to the Audit Committee for review on a quarterly basis.

2.6 Statement by Audit Committee

The Audit Committee is of the view that the guidelines and review procedures in respect of Recurrent Transactions as set out in Section 2.4 above are adequate to ensure that the Recurrent Transactions are/will be:

- undertaken on terms not more favourable to a Related Party than those generally available to the public/third parties;
- not detrimental to the interest of the minority shareholders of the Company; and
- at arm's length and on normal commercial terms, and the pricing of such Recurrent Transactions are in accordance with the Group's pricing policy which is consistent with similar types of transactions made by the Group with unrelated third parties and that the terms for the Recurrent Transactions are fair and reasonable compared to those offered to/provided by other unrelated parties for the same or substantially similar type of business/services.

The Audit Committee is also of the view that RCE Group has in place adequate procedures and processes to monitor, track and identify Recurrent Transaction in a timely and orderly manner and such procedures and processes are reviewed on a quarterly basis by the Audit Committee.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The rationale for and benefits of the Proposed Shareholders' Mandate are as follows:

- (i) The Proposed Shareholders' Mandate will facilitate transactions with Related Parties in the ordinary course of business of RCE Group which are undertaken at arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public/third parties; and are not, in the Company's opinion, detrimental to the minority shareholders.
- (ii) The Proposed Shareholders' Mandate, if approved by the shareholders, will eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when potential Recurrent Transactions arise. This will substantially reduce the administrative time and expenses associated with the convening of general meetings without compromising the corporate objectives or adversely affecting the business opportunities available to RCE Group.
- (iii) RCE Group will benefit from the Recurrent Transactions through the synergies that are derived from the Related Parties expertise and resources. The utilisation of the Related Parties' resources would result in cost and operational efficiencies, flexible credit terms and better control of delivery and service levels.
- (iv) The provision of collection management services, factoring and other related financial services to Related Parties will benefit RCE Group as they contribute to the Group's revenue and profitability.

4. APPROVAL REQUIRED FOR THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is subject to the approval of the shareholders of the Company at the forthcoming 68th AGM to be convened.

5. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

On 30 May 2022, the Board announced that the Company proposes to seek shareholders' approval for the Proposed Share Buy-Back at the forthcoming 68th AGM.

The purpose of this Statement is to provide you with the relevant information in relation to the Proposed Share Buy-Back and to seek your approval on the ordinary resolution to be tabled at the forthcoming 68th AGM of the Company to be held on Thursday, 8 September 2022.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

The Company had, at the 67th AGM of the Company held on 23 September 2021, obtained its Shareholders' approval for the Company to purchase and/or hold in aggregate up to ten per centum (10%) of the total number of issued shares of the Company at any point in time through Bursa Securities. In accordance with the Listing Requirements governing the purchase of its own shares by a listed company, the aforesaid approval will continue in force until the conclusion of the forthcoming 68th AGM, which will be held on Thursday, 8 September 2022.

The Company proposes to seek the authorisation from its shareholders for a renewal of the authority for the Company to purchase its own shares and/or hold as Treasury Shares representing up to ten per centum (10%) of the total number of issued shares of the Company at any point in time through Bursa Securities in accordance with Section 127 of the Act, the Listing Requirements and/or any other relevant authority.

As at LPD, the total number of ordinary shares issued by the Company is 740,388,894 Shares. As such, the maximum number of RCE Shares which may be purchased and/or held by the Company will be not more than 74,038,889 RCE Shares based on the total number of issued shares of the Company as at LPD, the amount of which includes 8,216,196 Treasury Shares.

The authorisation, if given, shall be effective immediately upon the passing of the ordinary resolution relating thereto at the 68th AGM and will continue in force until:

- (i) the conclusion of the next AGM of the Company following the general meeting, at which such resolution was passed, at which time it will lapse, unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting;

whichever occurs first.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will enable the Company to utilise its surplus financial resources not immediately required, to purchase the Company's Shares. It may stabilise the supply and demand of its Shares traded on the Main Market of Bursa Securities and thereby support the fundamental value of the Shares.

The Proposed Share Buy-Back is expected to enhance the value for shareholders from the resultant reduction in the number of Shares in the open market. Assuming all things being equal, the EPS of the Group may be enhanced as the consolidated earnings would be divided by a reduced number of Shares. This is expected to have a positive impact on the market price of the Company's Shares which will benefit the shareholders.

The Purchased Shares can also be retained as Treasury Shares and resold on Bursa Securities at a higher price. The distribution of Treasury Shares as share dividends (if any) will also reward the Shareholders as it would increase the number of shares held which can subsequently be resold in the open market. Alternatively, the Treasury Shares can be transferred for purposes of or under the employees' share scheme of the Company or such other purposes as allowed under the Act.

4. TREATMENT OF PURCHASED SHARES

Pursuant to the provisions of Section 127 of the Act, the Board may deal with the Purchased Shares in the following manner:

- (a) cancel the Shares so purchased; or
- (b) retain the Shares so purchased as Treasury Shares; or
- (c) retain part of the Shares so purchased as Treasury Shares and cancel the remainder; or
- (d) distribute the Treasury Shares as share dividends to shareholders; or
- (e) resell the Treasury Shares or any of the said shares in accordance with the Listing Requirements; or
- (f) transfer the Treasury Shares or any of the said shares as purchase consideration; or
- (g) transfer the Treasury Shares or any of the said shares for the purposes of or under an employees' share scheme or such other purpose as allowed under the Act; or
- (h) cancel the Treasury Shares or any of the said shares.

Appropriate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act. The Board may decide to cancel the Purchased Shares if the cancellation of the said shares is expected to enhance the EPS of the Group and thereby in the long term, have a positive impact on the market price of the Shares. If the Board decides to retain the Purchased Shares as Treasury Shares, it may distribute the Treasury Shares as share dividends to the Company's shareholders and/or resell the Purchased Shares in accordance with the Listing Requirements and utilise the proceeds for any feasible investment opportunity arising in future as working capital.

While the Purchased Shares are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distributions and otherwise are suspended, and the Treasury Shares shall not be taken into account in calculating the number or percentage of Shares or a class of shares in the Company for any purpose including substantial and major shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolution at a meeting of the shareholders.

5. SOURCE OF FUNDS

The maximum amount of funds to be allocated for the purchase of RCE Shares pursuant to the Proposed Share Buy-Back shall not exceed the retained profits of the Company at the time of purchase(s). Based on the latest audited financial statements as at 31 March 2022, the retained profits of the Company was RM163,773,325.

The amount of funds allocated for the purchase of RCE Shares pursuant to the Proposed Share Buy-Back will be financed through internally generated funds and/or external borrowings, the proportion of which will depend on the actual number of RCE Shares to be purchased, the price of the Shares, available funds at the time of purchase and other relevant cost factors.

In the event the Company purchases its own shares using external borrowings, the Board does not foresee any difficulty in repayment of the borrowings and that the repayment will have no material effect on the cash flow of the Company.

6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

- (a) Potential advantages of the Proposed Share Buy-Back are as follows:
 - (i) allows the Company to take preventive measures against speculation particularly when its Shares are undervalued which would in turn stabilise the market price of RCE Shares and hence, enhance investors' confidence;
 - (ii) the Company's share capital base will be reduced pursuant to the Proposed Share Buy-Back which will increase EPS or the amount of dividend received, all else being equal;

- (iii) if the Purchased Shares are retained as Treasury Shares, the Company may increase its financial resources from the resale of Treasury Shares at a higher price than when it was purchased;
 - (iv) if the Purchased Shares are distributed as share dividends, it will serve to reward the shareholders of the Company; and
 - (v) if the Purchased Shares are transferred for the purpose of or under the employees' share scheme of the Company, it will serve to reward the employees of the Company.
- (b) Potential disadvantages of the Proposed Share Buy-Back are as follows:
- (i) the Proposed Share Buy-Back will reduce the financial resources of RCE Group and may result in RCE Group foregoing any investment opportunity that may emerge in the future; and
 - (ii) the funds to be allocated from retained earnings may result in the reduction of financial resources available for distribution to shareholders in the immediate future.

Nevertheless, the Board will be mindful of the interests of RCE and its shareholders in implementing the Proposed Share Buy-Back.

7. EFFECTS OF THE PROPOSED SHARE BUY-BACK

On the assumption that the Proposed Share Buy-Back is implemented in full by RCE, the effects of the Proposed Share Buy-Back on the share capital, NA, working capital and earnings of RCE are set out below:

7.1 Share Capital

There will be no effect on the issued share capital of RCE if the Purchased Shares are retained as Treasury Shares.

Assuming that all the Purchased Shares are subsequently cancelled, the effect on the issued share capital of RCE will be as follows:

	No. of Shares
Total number of issued shares as at LPD	740,388,894*
Less : Cancellation of all Treasury Shares	(74,038,889)*
Total number of issued shares upon completion of the Proposed Share Buy-Back	666,350,005

Note:

* Inclusive of 8,216,196 Treasury Shares as at LPD

7.2 NA

The effect on the NA per share of RCE Group will depend on the purchase prices of RCE Shares and the effective funding cost to RCE Group to finance the purchase of RCE Shares or any loss in interest income.

The consolidated NA per share of RCE Group will reduce when the purchase price per RCE Share exceeds the NA per share at the time of purchase. Conversely, the consolidated NA per share of RCE Group will increase at the time of purchase if the purchase price per share is less than the consolidated NA per share.

If the Purchased Shares were subsequently resold through Bursa Securities, the consolidated NA per share of RCE Group would increase if the Company realises a gain from the resale, and vice-versa. However, the quantum of the increase in NA will depend on the selling price and the number of Purchased Shares resold.

If the Treasury Shares are distributed as share dividends, the NA per share of RCE Group would decrease by the cost of the Treasury Shares.

7.3 Working Capital

The Proposed Share Buy-Back will reduce the working capital of RCE Group, the quantum of which will depend on the purchase price and the number of RCE Shares purchased.

7.4 EPS

The effect of the Proposed Share Buy-Back on the EPS of RCE Group would depend on the number of RCE Shares purchased, purchase price of RCE Shares and the effective funding cost to finance the purchase or loss in interest income to the Company.

Assuming the Purchased Shares are retained as Treasury Shares and resold, the effects on the EPS of RCE Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain or interest savings arising from the exercise.

If the Purchased Shares are retained or cancelled, the Proposed Share Buy-Back will increase the EPS of RCE Group provided the income foregone and/or interest expense incurred is less than the effect of the reduced number of shares in calculating EPS.

8. PURCHASE, RESALE, TRANSFER OR CANCELLATION OF TREASURY SHARES MADE IN THE PRECEDING TWELVE (12) MONTHS

The Company had on 17 January 2022:

- (i) distributed 18,291,722 Treasury Shares as share dividend to its entitled shareholders on the basis of 1 Treasury Share for every 20 Shares held in the Company; and
- (ii) received 3,902,693 bonus shares pursuant to the bonus issue on the basis of 19 bonus shares for every 21 existing Shares held by the entitled shareholders, including the Treasury Shares held by the Company on the entitlement date, which are being treated as Treasury Shares held by the Company upon allotment and issuance of such bonus shares.

Save for the above, there were no purchase of Shares and no resale, transfer or cancellation of Treasury Shares in the previous twelve (12) months preceding the date of this Statement.

As at LPD, the Company held a total of 8,216,196 Treasury Shares.

9. SHAREHOLDINGS OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

Based on the Registers of Directors' and Substantial Shareholders' shareholdings as at LPD and assuming that the Company acquires the maximum number of the Shares authorised under the Proposed Share Buy-Back from Shareholders other than the Directors and Substantial Shareholders of the Company and that all the Shares so purchased are fully cancelled, the effect of the Proposed Share Buy-Back on the shareholdings of the Directors and Substantial Shareholders of the Company are as follows:

10. PUBLIC SHAREHOLDING SPREAD

The public shareholding spread of the Company as at LPD was 40.26%. Assuming the Proposed Share Buy-Back is implemented in full, the public shareholding spread of the Company is expected to be reduced to 34.36%.

The Board is mindful of the compliance with public shareholding spread as required by the Listing Requirements and will take into consideration the requirement when making any purchase of the RCE Shares pursuant to the Proposed Share Buy-Back.

11. HISTORICAL SHARE PRICES

The monthly highest and lowest prices of RCE Shares as traded on the Main Market of Bursa Securities for the last 12 months from July 2021 to June 2022 are as follows:

12. IMPLICATIONS OF THE CODE

As at LPD, CESB holds 53.49% of the total number of issued shares of RCE. Based on the total number of issued shares of RCE of 740,388,894 Shares as at LPD and assuming the Proposed Share Buy-Back is carried out in full and that all the RCE Shares purchased are cancelled, the shareholding of CESB in RCE will increase to 58.77%.

Pursuant to the Code, if a person or a group of persons acting in concert holds more than 50% of the voting shares of a company, there is no obligation to undertake a mandatory general offer for the remaining shares of the company not already owned by the said person or persons acting in concert. Accordingly, the Proposed Share Buy-Back would not give rise to any mandatory offer obligation under the Code.

13. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

Save for the inadvertent increase in the percentage of shareholdings and/or voting rights of the Shareholders as a consequence of the implementation of the Proposed Share Buy-Back, none of the Directors or Major Shareholders and/or Persons Connected to them has any interest, direct or indirect, in the Proposed Share Buy-Back or resale of Treasury Shares, if any.

14. DIRECTORS' RECOMMENDATION

Your Board, having considered all aspects of the Proposed Share Buy-Back, is of the opinion that the Proposed Share Buy-Back is in the best interest of the Company.

Accordingly, your Board recommend that you vote in favour of the ordinary resolution in respect of the Proposed Share Buy-Back to be tabled at the forthcoming 68th AGM.
