OPENING OF NEW WHITELODGE PRESCHOOL AND CHILDCARE CENTRE

The Board of Directors of Chip Eng Seng Corporation Ltd. (the “**Company**”) is pleased to announce the opening of a new pre-school and childcare centre by its 70% held subsidiary, White Lodge Education Group Services Pte. Ltd. (“**WLEGS**”). The remaining 30% of WLEGS is collectively held by the two founders of WLEGS, Ms Jayne Nadarajoo and Mr Ganesh Kanapathy.

The new centre is located at 262 River Valley Road and commences operations on 2 January 2019. It is also the first Singapore centre by WLEGS to offer child care services in order to meet the needs of working parents. The new centre, which has a capacity of up to 65 placements, will offer the same White Lodge curriculum that is being applied the other pre-school centres owned by WLEGS. Such curriculum places emphasis on creative learning, including learning through active participatory learning and learning through “symbolic languages” such as painting, sculpting and drama. The new centre offers programmes catering to playgroups (18 months to 2.5 years old), pre-nursery (2.5 to 3.5 years old), nursery (3.5 to 4.5 years old), pre-kindergarten (4.5 to 5.5 years old) and kindergarten (5.5 to 6.5 years old). Facilities include an indoor playground, indoor sandpit kitchen, library as well as pretend and sensory play areas

Together with the new centre, WLEGS now operates a total of 10 pre-school centres, eight in Singapore and two in Malaysia.
