

# Sunway Construction unit bags RM66m hospital project

KUALA LUMPUR: Sunway Construction Group Bhd's subsidiary, Sunway Construction Sdn Bhd, has accepted Zecon Medicare Sdn Bhd's electrical services, air-conditioning and ventilation system contract worth RM66.3 million.

Sunway Construction said the contract involved supply, delivery, installation, testing and commissioning, training, maintenance and warranty for electrical services, air conditioning and mechanical ventilation system for Universiti Kebangsaan Malaysia's Children Specialist Hospital in Cheras.

The project would be completed in April 2018 and was expected to contribute positively to the earnings of Sunway Construction from the financial year ending December 31, 2016, onwards, it said in a filing to Bursa Malaysia Monday.
