Twenty staff members from Giant Hypermarket Kelana Jaya took time off their busy schedules and brought smiles to 16 residents of Pusat Jagaan Warga Emas Mitchell, Petaling Jaya. They brought arts and craft materials so that they, together with the residents, could help decorate their rooms. The residents, some of whom are diagnosed with dementia, Alzheimer's disease, diabetes and depression, as well as stroke patients, also saw a huge contribution of home appliances, food supplies, adult diapers and towels by Giant. Organised by GCH Retail Malaysia Sdn Bhd's Corporate Affairs division, the visit was part of the company's CSR programme, Giant Loves My Community (GLMC), which serves to give back to the community.
