## Two SunCon units bag RM186m deals

KUALA LUMPUR: Sunway Construction Group Bhd's units, Sunway Construction Sdn Bhd (SCSB) and Sunway Geotechnics (M) Sdn Bhd (SunGeo), have secured three contracts worth RM186.3 million.

The company said SCSB won a RM152.4 million contract from Gas District Cooling (Putrajaya) Sdn Bhd for the proposed engineering, procurement, construction and commissioning at Gas District Cooling Plant 1, Presint 1, Putrajaya.

In a filing to Bursa Malaysia Friday, the group said SunGeo secured a RM18.1 million contract from Cergas Murni Sdn Bhd for bore piling works of the Sungai Besi-Ulu Klang Elevated Expressway

(SUKÉ) Section B Package CB1.

"The SUKE project will commence on May 15, 2017 and is expected to be completed on April 30, 2018," the group said.

SunGeo also received a contract worth RM15.8 million from Usahasama Monza-Latimer for bore piling works of the Damansara-Shah Alam Elevated Expressway's (DASH) Section A Puncak Perdana to Kota Damansara Package CA1.

The group said the DASH project was expected to commence on March 23, 2017 and would be completed on Jan 16, 2018.

To date, its outstanding order book amounts to RM4.9 billion. - Bernama
