KUALA LUMPUR (Oct 12) -- Malaysia's Sunway Construction Group, the construction arm of Sunway, said Thursday it has won two contracts for a total value of 139.80 million ringgit (\$33.14 million).

The first contract was awarded to the company by Ahmad Zaki for the earthworks, piling and other related jobs for a proposed mixed development in city centre, the company said in an exchange filing. The job, worth 74.77 million ringgit, is to be completed within 10 months.

Sunway Construction said the second contract was for the supply of precast components to a building works in Singapore for S\$20.88 million, which to be completed in 21 months.
