

## SunCon bags 3 contracts worth RM209m

**KUALA LUMPUR:** Sunway Construction Group Bhd (SunCon) has won three contracts with a combined value of RM209 million. According to its filing, SunCon said its subsidiary Sunway Construction Sdn Bhd had been appointed by MMC-Gamuda

KVMRT Sdn Bhd for construction jobs under the mass rapid transit Line 2 project, which will be completed by September next year. Meanwhile, Sunway Iskandar Sdn Bhd, a subsidiary of Sunway Bhd, has also accepted a letter of intent for two projects in the Medini Iskandar development in Johor. Its for construction of office shoplots, management office block, mosque and a commercial development. SunCon said upon the award of the three contracts, its outstanding order book to date amounted to RM5 billion. The new order book

replenishment now totals RM2.6 billion, which has exceeded the company management's target of RM2.5 billion.
