

Sunway Construction order book at RM6.7b

KUALA LUMPUR: Sunway Construction Group Bhd's outstanding order book is now worth RM6.7 billion, with the addition of two new contracts totalling at RM140 million, according to a filing on Bursa Malaysia.

The first contract, totaling at RM75 million, was awarded by Ahmad Zaki Sdn Bhd to its subsidiary, Sunway Geotechnics (M) Sdn Bhd (SunGeo) for substructure works for a proposed mixed development in Seksyen 56 at Jalan Hang Tuah/Jalan Pudu, Kuala Lumpur.

The project is for 10 months, Sunway Construction said.

The group's Singapore-based subsidiary, Sunway Concrete Products (S) Pte Ltd meanwhile signed a Letter of Intent with Chiu Teng Construction Co Pte Ltd to supply precast components for the building works at Clementi Neighbourhood, for SG\$21 million (RM65 million).

The contract is for 21 months.
