KUALA LUMPUR, Oct 2 — Sunway Bhd and Sunway Construction Group Bhd (SunCon) bagged two awards at the Minority Shareholders Watch Group (MSWG)-Asean Corporate Governance Awards 2019 yesterday.

Sunway and SunCon were named as first runners-up in the industrial products and services, and construction categories, respectively.

“Both companies were also among the Top 30 companies with best corporate governance disclosures out of a total of 866 public-listed companies (PLCs) in Malaysia assessed by MSWG in 2019,” Sunway Group said in a statement today.
