6. Capital Management

Capital Management (CM) - *Proactive Capital Management*

www.SUNWAY REIT.com

- 🌐 The main objective of initiating the exercise is to manage:
 1. Refinancing risk –Staggering debt maturing
 2. Interest rate management – optimize debt profile (floating vs. fixed)

- 🌐 The prevailing low interest rate environment offers opportunities for potential interest savings and lowering of overall cost of debt.

- 🌐 Key facilities undertaken include:
 1. Short-term loan and revolving credit facilities amounting to RM760 million and RM90 million respectively, pending issuance of debt papers (Refinanced via CP)
 2. 3-year fixed rate term loan of USD100 million (equivalent to RM310 million); hedged with cross-currency swap
 3. Commercial Paper (CP) Programme of up to RM1.6 billion in nominal value rated P1(S) by RAM Ratings. The programme is 7-year facility and fully underwritten.
