## 2.5 Amount due and owing by the Related Parties

For the financial year ended 31 December 2018, there was no amount due and owing by the Related Parties pursuant to the Recurrent Transactions that exceeded the credit terms. Hence, there was no late payment charges imposed on the Related Parties.

## 2.6 Rationale for the Proposed Shareholders' Mandate

The Recurrent Transactions entered, or to be entered into by AEON, Malaysia are all in the ordinary course of business and are undertaken on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. It is envisaged that in the normal course of their business, transactions between AEON, Malaysia and the Related Parties are likely to occur from time to time and it may be impractical to seek shareholders' approval on a case to case basis before entering into such Recurrent Transactions.

By obtaining the shareholders' mandate and renewing the same on an annual basis, the Company does not have to convene separate general meetings from time to time to seek shareholders' approval as and when the Recurrent Transactions occur. This would substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings on an ad-hoc basis, and allow manpower, resources and time to be channelled towards attaining corporate objectives.

Hence, the Board is seeking approval from shareholders on the Proposed Shareholders' Mandate for the respective Recurrent Transactions as described in section 2.3 above.

## 2.7 Benefits of the Recurrent Transactions

Generally, the Recurrent Transactions provide AEON, Malaysia with support to its operational and business needs. It also allows the rights to use trademarks, information and know-how for the management and operation of retail stores and shopping centres and would further enhance AEON, Malaysia's retail sales and shopping centre business.

#### 2.8 Review procedures for the Recurrent Transactions

Generally, the terms and conditions of the Recurrent Transactions are determined based on normal commercial terms, business practices and policies. The pricing is determined after taking into consideration the prevailing market prices/rates which are competitive with that offered/provided by/to unrelated third parties, quality of products and level of services offered in accordance with other applicable industry norm/consideration and negotiated on a willing-buyer willing-seller basis.

The following internal review procedures, which are in place, have been established to ensure that the Recurrent Transactions are undertaken on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of minority shareholders:

- (i) The details of the Related Parties mandated pursuant to the Proposed Shareholders' Mandate will be circulated within AEON, Malaysia, including all the Major Shareholders and Directors of AEON, Malaysia, with notification that all Recurrent Transactions are required to be undertaken on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (ii) The shareholding interests of the Related Parties in AEON, Malaysia and their interests in any corporation/partnership will be continuously monitored;
- (iii) Records are kept at AEON, Malaysia to keep track of the changes in the composition of the Directors and the Major Shareholders in AEON, Malaysia;
- (iv) All Recurrent Transactions will be captured within the accounting system maintained by AEON, Malaysia;

In the event that the established procedures are not sufficient to ensure that the Recurrent Transactions will be conducted on normal commercial terms and/or the Recurrent Transactions are not detrimental to the minority shareholders of AEON, Malaysia, the Company will obtain a fresh mandate from shareholders based on the new guidelines and procedures. If a member of the Board or Audit and Risk Management Committee has an interest in the transaction to be reviewed by the Board or the Audit and Risk Management Committee as the case may be, he shall abstain from all deliberations at Board of Directors' and Audit and Risk Management Committee Meetings and voting on the resolution in respect of the Recurrent Transactions at the AGM;

## 2.8 Review procedures for the Recurrent Transactions (Cont'd):

- (vi) The annual internal audit plan shall incorporate a review of the Recurrent Transactions. The Board and Audit and Risk Management Committee shall review the internal audit reports to ascertain that the review procedures established to monitor the Recurrent Transactions have been complied with;
- (vii) At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities;
- (viii) In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction prices will be reviewed to ensure that the RRPT are not detrimental to AEON, Malaysia; and
- (ix) The Audit and Risk Management Committee will review all aspects of the RRPT amounting to RM10 million and above, entered into to ensure that the relevant approvals will have to be obtained from the Board of Directors and that the transactions are conducted at arm's length basis. Where the RRPT is below RM10 million, it will be reviewed and approved according to the Company's internal levels of approving authority limits specified for managing director, executive directors, general managers, senior managers and department heads.

The Board and the Audit and Risk Management Committee have reviewed the procedures and shall continue to review the procedures as and when required, with the authority to sub-delegate to individuals or committees within AEON, Malaysia as they deemed appropriate.

The Audit and Risk Management Committee of AEON, Malaysia has seen and reviewed the procedures as mentioned in paragraph 2.8 above and is satisfied that the procedures are sufficient to ensure that the Recurrent Transactions are undertaken on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of AEON, Malaysia.
