B. ADDITIONAL INFORMATION REQUIRED UNDER THE ACE MARKET LISTING REQUIREMENTS

B1 Review of Group's performance

Overall review for the financial quarter ended 31 August 2020

For the financial quarter ended 31 August 2020, the Group posted lower revenue of RM7.6 million compared to RM7.9 million for the corresponding period last year. The Group reported lower profit before taxation ("PBT") of RM0.5 million for the current financial period compared to RM0.7 million for the corresponding period last year. The effect of COVID-19 Pandemic has impacted the performance of trucking business due to the slowdown and closure of several client's operation. This has affected the Group's results in the current financial quarter.

Review of business segments for the financial period ended 31 August 2020

During the financial quarter ended 31 August 2020, the Logistics segment posted lower revenue of RM7.6 million compared to RM7.9 million for the corresponding period last year. This is due to the prolong impact of COVID-19 whereby many companies are still operating below their norm. Consequently, this segment reported a lower segmental profit of RM1.1 million compared to RM1.2 million in the corresponding period last year.

The results of others segment are mainly attributed to corporate expenses incurred by the investment holding company. This segment reported higher segmental loss of RM0.5 million for the current financial period compared to RM0.3 million in corresponding period last year.

B2 Material change in the results for the current financial quarter as compared with immediate preceding financial quarter

Revenue for the current financial quarter increased to RM7.6 million from RM6.8 million in the immediate preceding quarter. The previous quarter revenue was severely impacted by the COVID-19 Movement Control Order ("MCO") starting from 18th March 2020. Consequently, the Group reported higher PBT of RM0.5 million for the current financial quarter as compared to PBT RM0.1 million the immediate preceding financial quarter.

B3 Current year prospects

The petrochemicals industry was already experiencing a slowdown due to low demand and market uncertainties from the USA-China trade dispute. The COVID-19 Pandemic has further exacerbated the situation when the global and domestic economic activities slow down due to the measures imposed to control spread of the disease. The MCO has severely impacted the operation and business of the companies especially our trucking business.

The Board will continue to exercise caution in managing the business. Management has implemented immediate austerity measures and is exploring ways to build new capabilities for long term growth.

B4 Forecast profit, profit guarantee and internal targets

The Group did not provide any profit forecast, profit guarantee and internal targets in any publicly available documents or announcements.
