#### **B3.** Prospects

#### **Restaurant Operations and Manufacturing**

The COVID-19 pandemic severely impacted the business operations of the Group as a result of containment measures taken by the Government of Malaysia to defray the spread of pandemic such as travel bans and closure of non-essential business amongst other things. Whilst there is still uncertainty in the surge of number of COVID-19 cases, the roll out of the national vaccination program is expected to pave the way for recoveries in post pandemic. The Group would continue to work with its strategic partner to manoeuvre through this challenging time. The synergistic partnership allows both parties to leverage on each other's expertise to achieve its objectives.

The Group shall continue to implement its expansion program as well as strengthening its capability to tap into new segment of markets that had been accelerated by the pandemic namely, towards lifestyle digitisation. These exercises include expansions of new restaurants, upgrading of its manufacturing capabilities, digital transformation encompassing leveraging on the latest technologies, complementing existing business through strategic acquisitions or investment to promote growth.

The Group is cautiously optimistic that with implementation of good planning and strategies, the Group will emerge stronger in its industry to future-proof the Group and achieve long-term sustainable growth.
