The Audit Committee is of the view that our Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner and these processes and procedures are reviewed at least on an annual basis.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Recurrent Related Party Transactions to be entered into by our Group with the Related Parties are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such Recurrent Related Party Transactions.

The approval of the Proposed Renewal of Shareholders' Mandate will eliminate the need to make regular announcements to Bursa Securities and to convene separate general meetings from time to time to seek shareholders' approval as and when the need arises. Also, it would substantially reduce administrative time, inconvenience and expenses associated with the making of announcements and convening of such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to or operational matters in respect of our Group.

The Recurrent Related Party Transactions set out in Section 2.3 of this Circular will provide net income for our Group and the close co-operation and transactions with the Related Parties are expected to provide a number of benefits for the business of our Group ranging from, but are not limited to, greater earnings visibility from longer confirmed charters, revenue and earnings creation from the use of licenses and cost efficiencies of asset maintenance stemming from a broader asset pool.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any material effect on our share capital and substantial shareholders' shareholdings as well as the earnings, NA and gearing of our Group.

5. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to your approval being obtained at our forthcoming AGM.

As at the LPD, the Proposed Renewal of Shareholders' Mandate is not conditional upon any other corporate exercise.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

Save as disclosed below, none of the Directors, Major Shareholders and/or persons connected to them have any interest, directly or indirectly, in the Proposed Renewal of Shareholders' Mandate.

6.1 Interested Directors for the Proposed Renewal of Shareholders' Mandate
