

## Sunway Construction gets RM66 million contract

**KUALA LUMPUR:** Sunway Construction Group Bhd (Sunway Construction) has been awarded a contract worth approximately RM66.30 million.

The company told Bursa Malaysia yesterday that one of its subsidiary companies Sunway Engineering Sdn Bhd had yesterday accepted a letter of award issued by Zecon Medicare Sdn Bhd in relation to the supply, delivery, installation, testing and commissioning, training, maintenance and warranty for electrical services and air conditioning

and mechanical ventilation system. Sunway Construction observed that the project will be carried out at the Children Specialist Hospital, University Kebangsaan Malaysia, Cheras Kuala Lumpur using the public-private partnership.

The company noted the project shall be completed on April 30, 2018.

Sunway Construction believed the project is expected to contribute positively to the earnings of the group from the financial year ending Dec 31, 2016 onwards.
