Sunway unit bags UKM hospital project

KUALA LUMPUR: Sunway Construction Group Bhd's (SunCon) subsidiary, Sunway Engineering Sdn Bhd, has accepted a letter of award for a project worth RM66.3 million from Zecon Medicare Sdn Bhd. In a filing to Bursa, the company said the letter of award is in relation to the supply, delivery, installation, testing and commissioning, training, maintenance and warranty for electrical services and air-conditioning and mechanical ventilation system for a development project of Universiti Kebangsaan Malaysia's proposed children's specialist hospital.
